PROGRAM INFORMATION

GreenWaste Recovery Inc. is proud to announce our continued partnership with the Los Altos Hills County Fire District to maintain the operation of a program designed to assist residents with the clearing of brush and yard trimmings at no charge. This program is 100% funded by the district.

All material must be delivered to the district-sponsored events and off-loaded by the resident. Vehicles delivering "loose" materials are limited to one (1) ton.

To participate, residents must:

- Show valid photo I.D. with address or current garbage bill.
- Accompany any firm hired to deliver the material on every trip.

GreenWaste staff cannot unload materials from vehicles unless residents are physically unable to unload their own materials. **ONLY BRUSH AND YARD TRIMMINGS WILL BE ACCEPTED.**

No garbage, recyclables, rock, dirt, concrete, ashes, asphalt, construction materials, stumps or tree trunks larger than 4 ft. in length and 6 in. in diameter, poison ivy, poison oak, palm fronds, cactus, ice plants, bug-infested materials, fruits or vegetables, or painted trees.
