NEWS AND FEATURES

- Brand Refresh
- Back to School!
- SB1383 Lid Flip Audit
- Planning Ahead!

Brand Refresh

We are excited to announce that we have a new company logo!

The symbol, or “recycling arc,” represents our companies’ circular suite of recycling services, products, and our commitment to being green first.

In the logotype, the highlighted “re” emphasizes how GreenWaste is reimagining recycling, reuse and recovery.

Together, they tell the story of how GreenWaste is revolutionizing how we transform the world's waste.

Back-To-School! 🍏

Here are three R's to remember when shopping for back-to-school.

1. Reduce: Take Inventory

Make note of what you already have and create a shopping list of things you really need for the school year.

2. Reuse: Buy Green Supplies

Leave the plastic at home and consider investing in reusable lunch gear such as a stainless-steel lunch box, reusable utensils, BPA-free water bottles and food containers.

3. Recycle: Swap or Donate Clothing

Consider holding a gathering amongst your friends, family, or neighbors to do a clothes swap and donate the rest to your local donation center.

SB 1383 Lid Flip Audit

In compliance with California's Climate Law SB 1383, regulations require random container contamination monitoring of all collection routes annually.

Contamination monitoring will be a collaborative effort between the Town of Los Altos Hills, GreenWaste and Blue Strike Environmental to meet the requirements of SB 1383.

Be on the lookout for more information on the Town's future Lid Flip Audit.

Planning Ahead!

Thanksgiving:

Reminder: GreenWaste does not collect on Thanksgiving Day. If your regular collection day falls on or after Thanksgiving, your collection will be delayed by one day.

Clean Up Event:

Your next Clean Up Event is Saturday, October 28th. Keep an eye out for your postcard with more details.
